The parties hereby agree and stipulate that the status conference date, currently set for October 31, 2017, be continued until December <sup>5</sup>~~26~~, 2017 at 2:00 p.m. or thereafter for a status conference before The Honorable William H. Alsup. Mr. Iravani is out of custody on pre-trial release.

The charge in this case is possession of child pornography and is primarily based on a computer forensic analysis of the Torrent Network and Mr. Iravani's hard drive. The government has provided discovery in a timely fashion and the defense has been diligent in reviewing that discovery. However, given the complexity of the computer technology, additional time is necessary for the defense expert to meet with the government expert. This meeting is anticipated to occur within the next three weeks, though given counsel's schedules and the holidays, both parties are requesting

STIPULATION AND ~~PROPOSED~~ ORDER CONTINUING STATUS CONFERENCE CR-17-340-WHA

December 26, 2017 or thereafter for a further status conference.

The parties agree that the ends of justice served by granting such an exclusion of time outweigh the best interests of the public and the defendant in a speedy trial. 18 U.S.C. § 3161(h)(7)(A). The parties agree to extend the time limits of Rule 5.1 during this period as well.
